Dedication

It does not happen very often that a teacher with such a short career at Bristol High School is chosen as the person to whom the yearbook is dedicated. Having been here only a few years, Mr. Faria has displayed qualities which the students believe personify a good teacher and class advisor. His strength and ability, friendliness and sincere interest attract the students. Whether in or out of class, he always wants to see us come out on top. He tells us that success is achieved only through willingness and a strong desire. His faith in us has brought us together as one in these four full but short years at Bristol High School. Because of his youth, the students feel a special closeness to him and are able to speak to him freely. So we the Class of 1974 wish to dedicate our yearbook to Mr. Jeffrey Faria, a man who clearly exemplifies what we believe a teacher and class advisor should be.

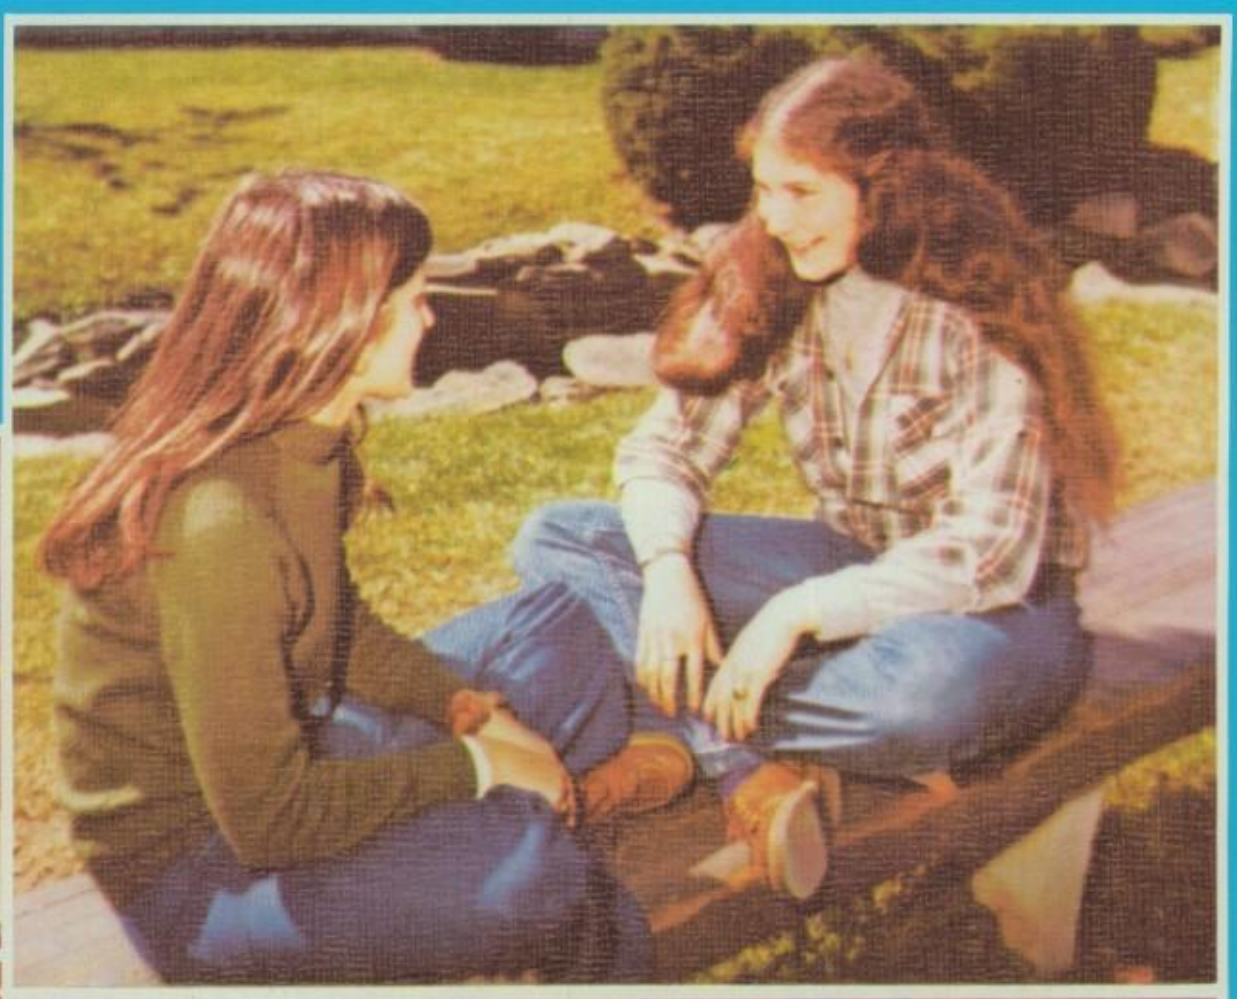
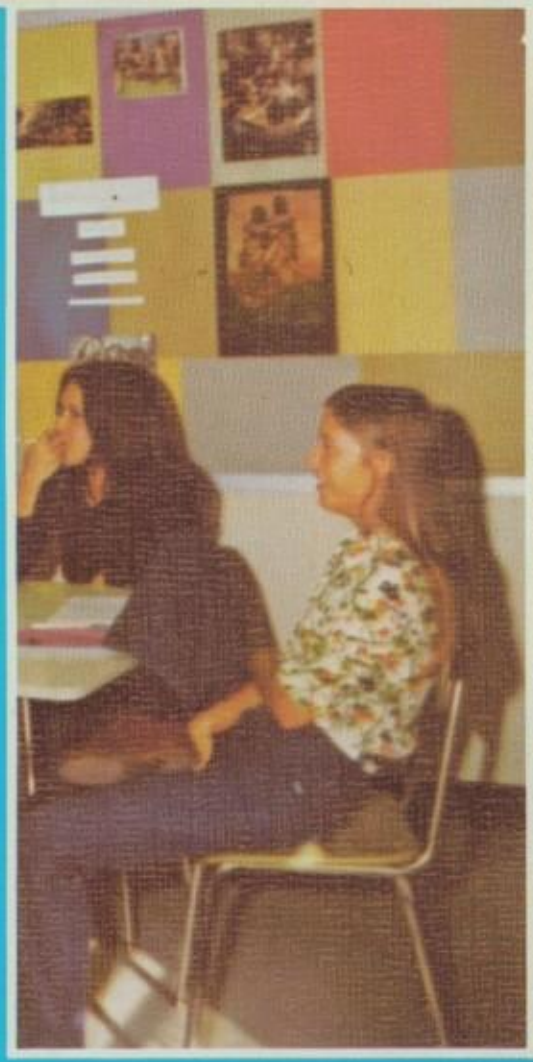
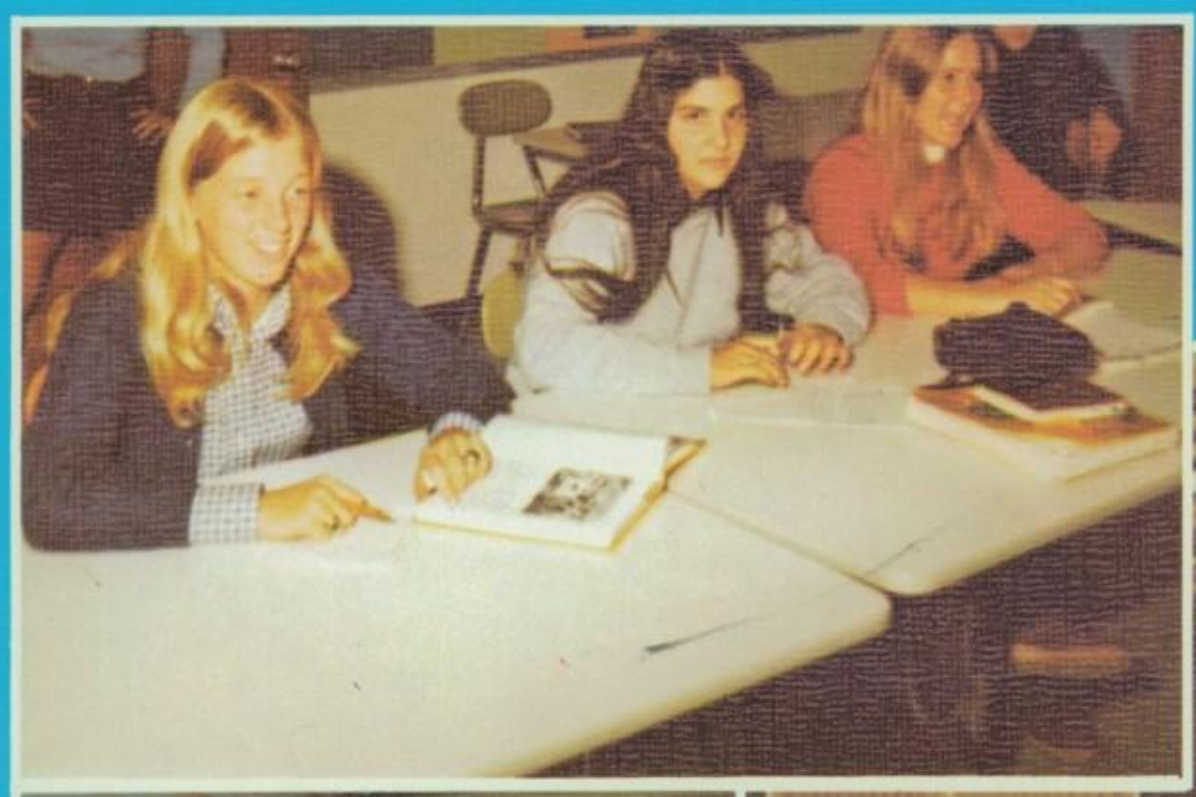
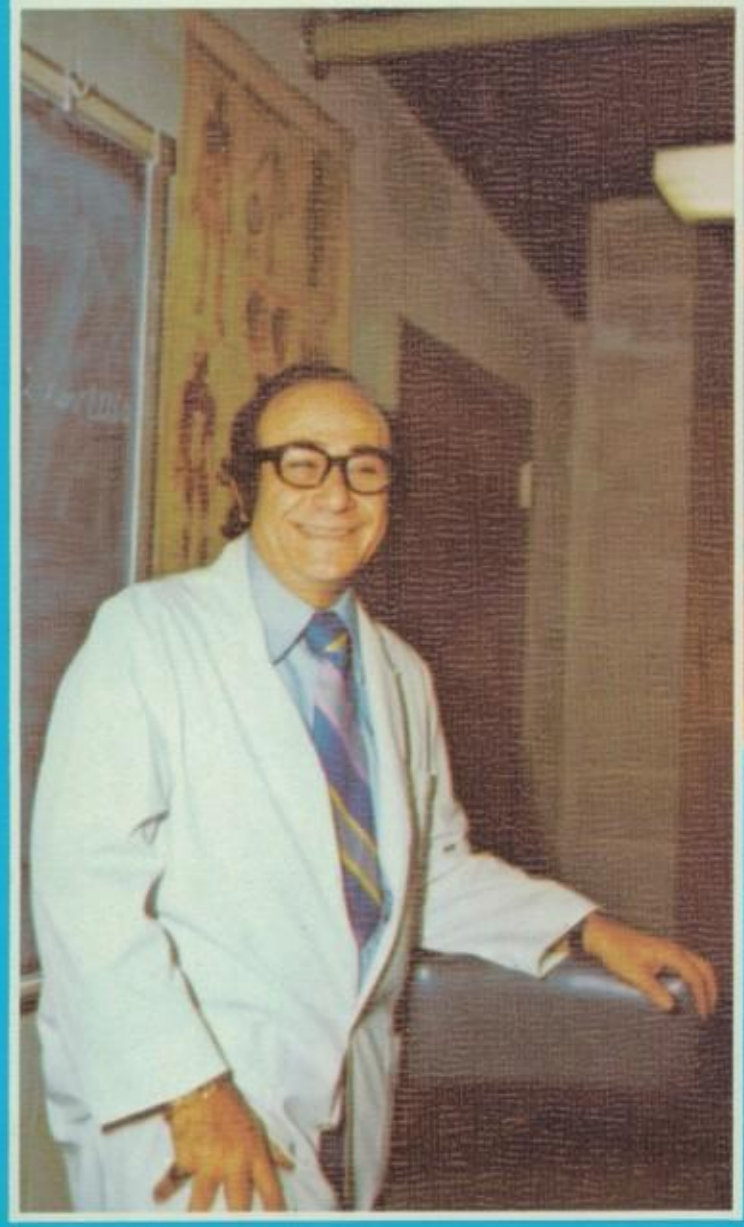
"Don't tell me not to live, just sit and putter.
Life's candy and the sun's a ball of butter.
Don't bring around a cloud to rain on my parade.



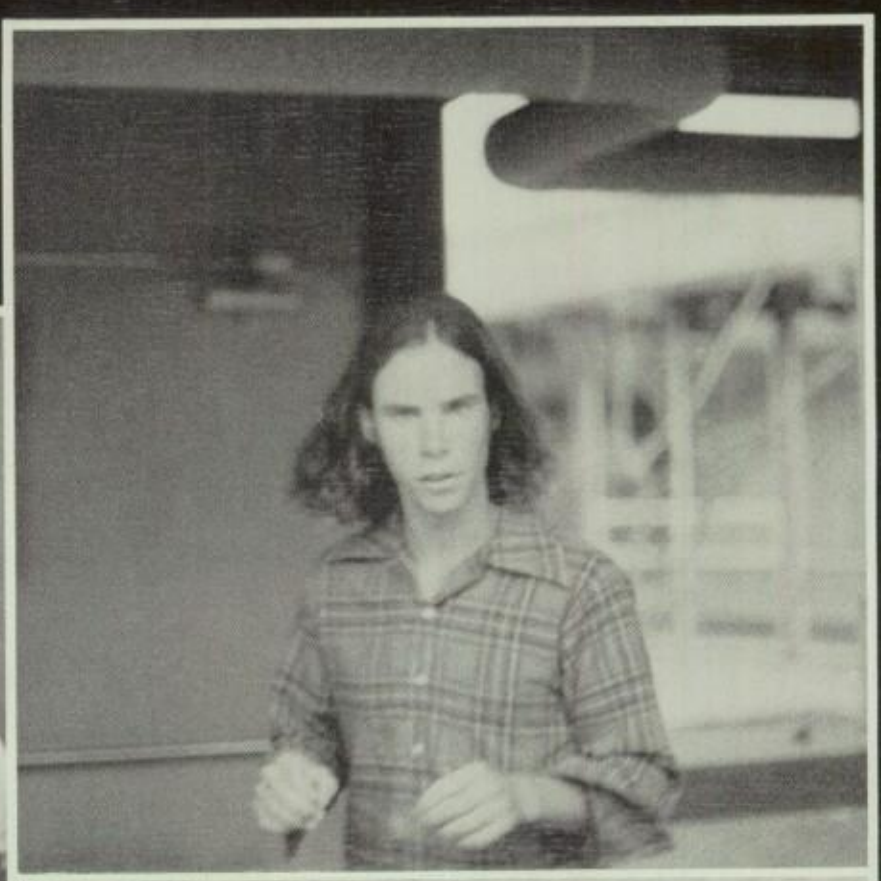


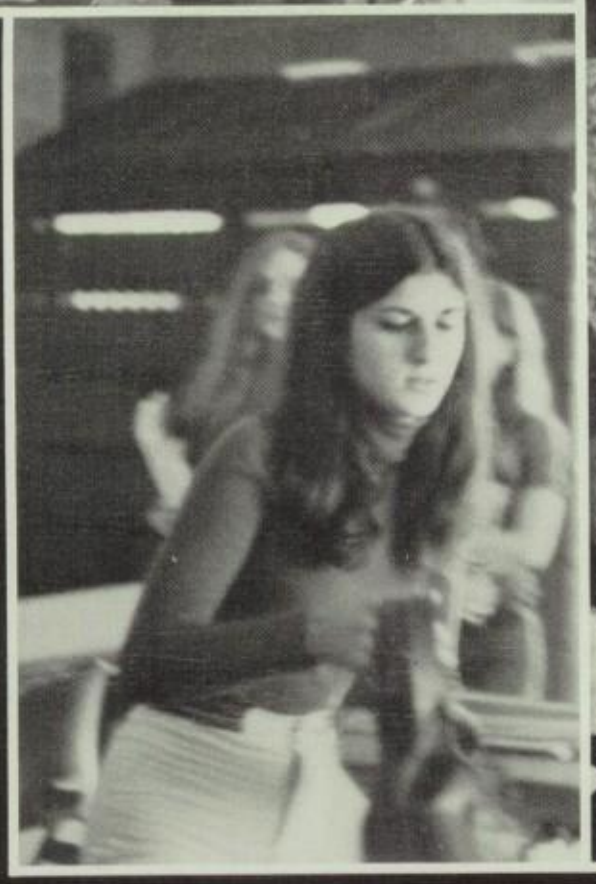
Don't tell me not to fly, I've simply got to.
If someone takes a spill it's me and not you.
Who told you you're allowed to rain on my parade.

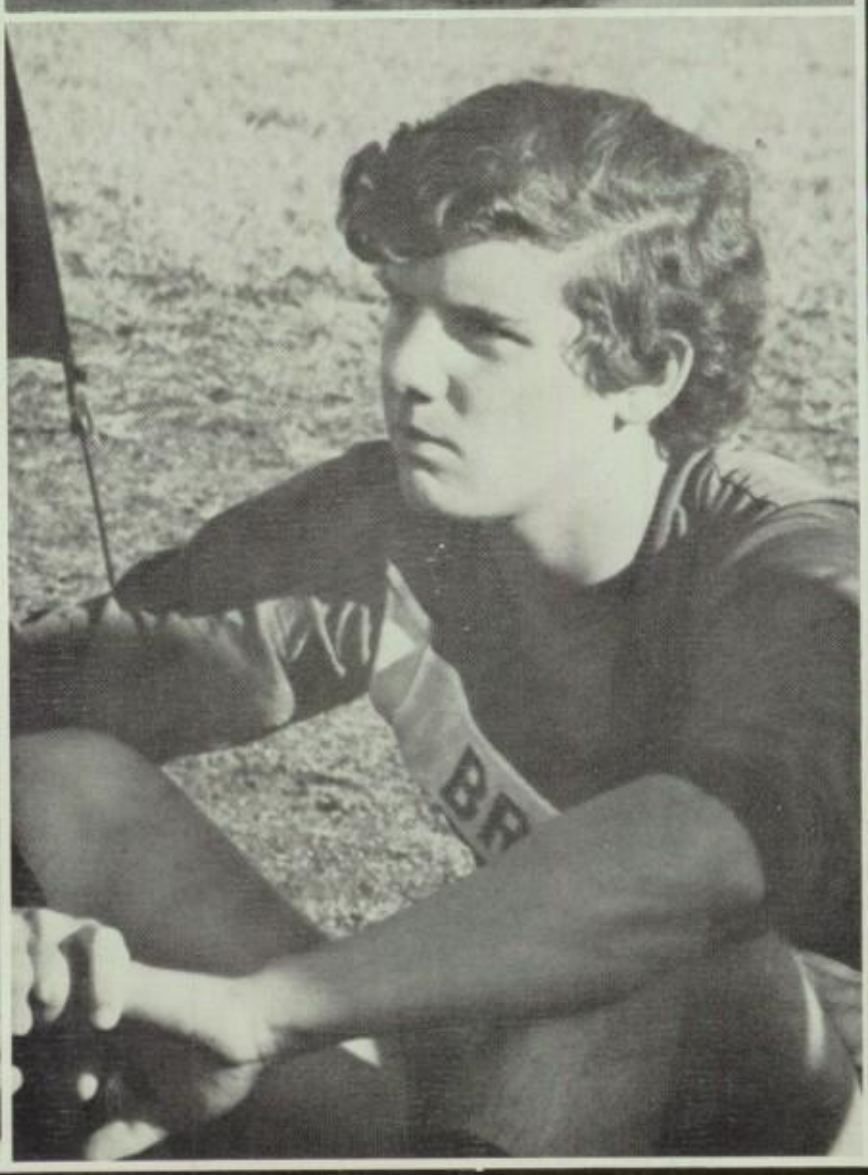




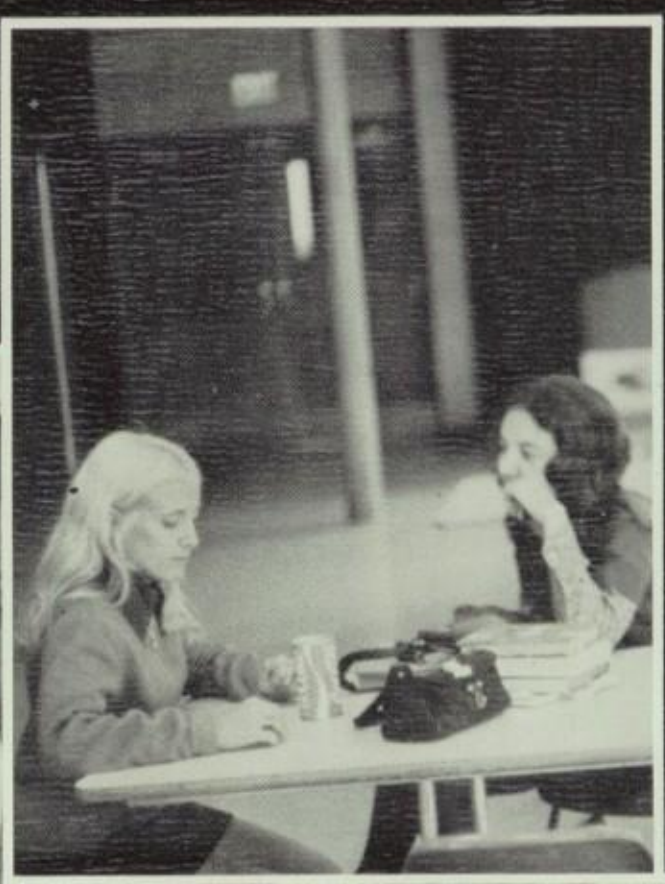
I'll march my band out, I'll beat my drum, and if I fanned out,
your turn at bat now, at least I didn't fake it.
I guess I did make it.

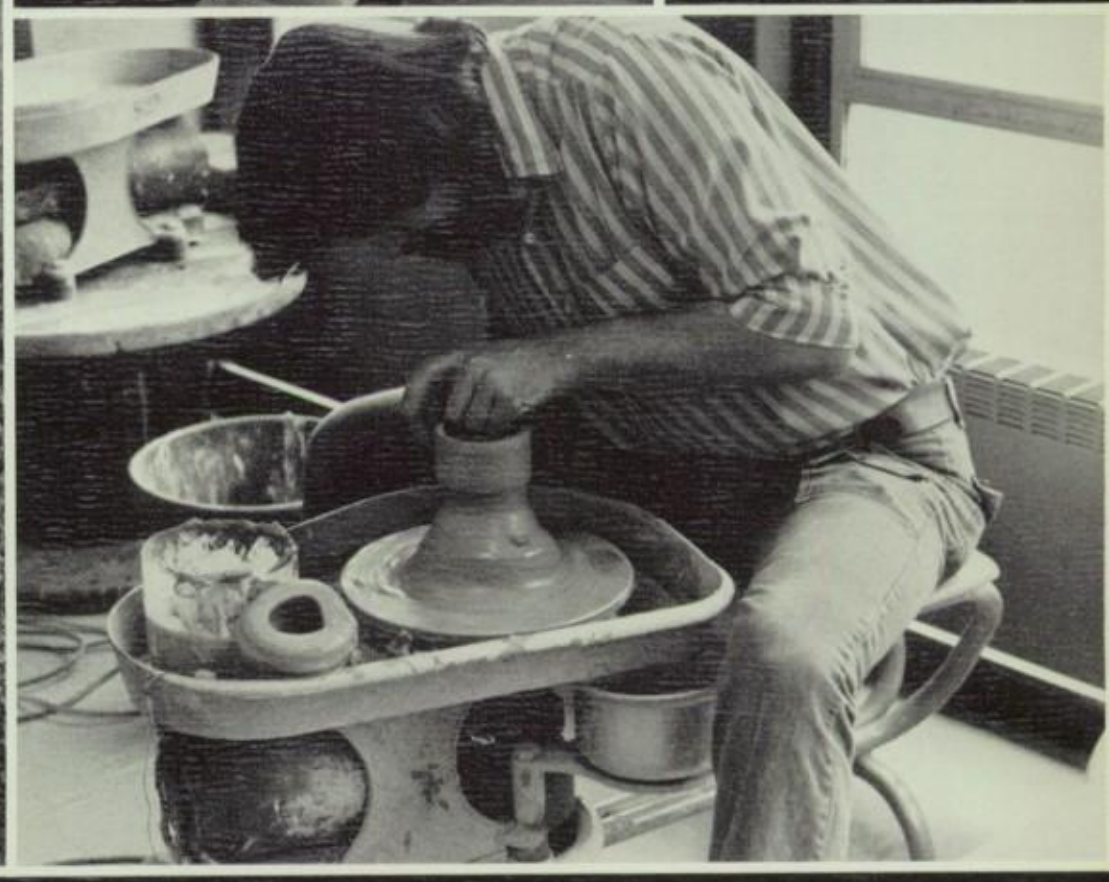




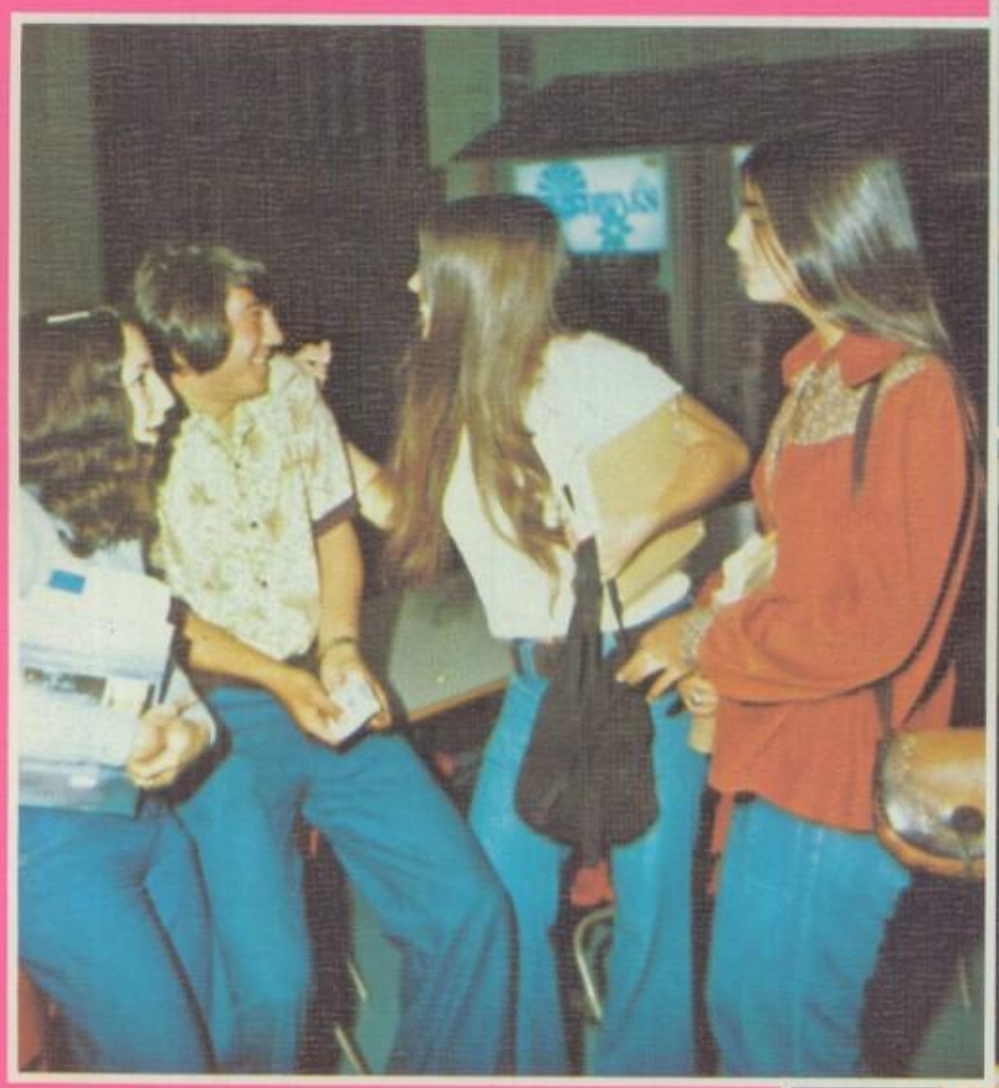


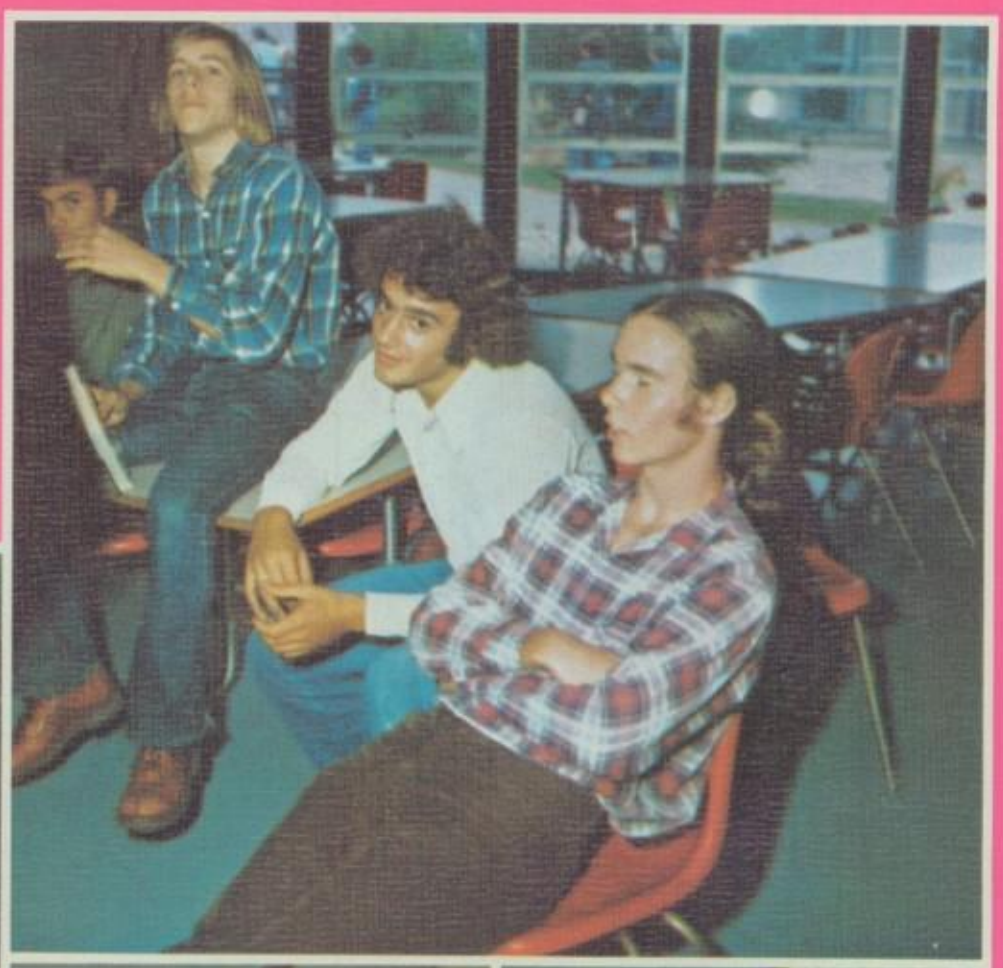
I'm the rose of sheer perfection
and a freckle on the nose of life's complexion,
a cinder or the shiny apple of its eye.

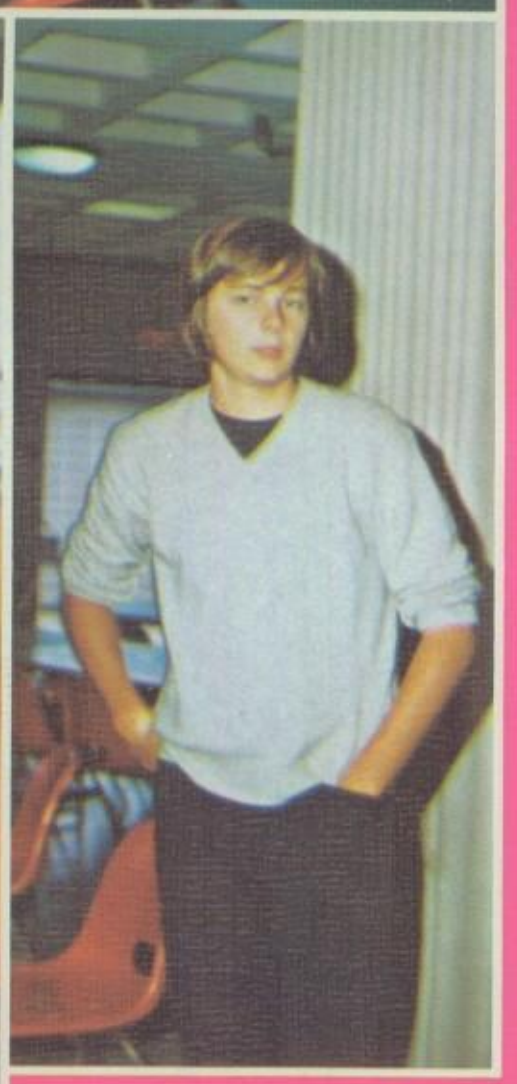




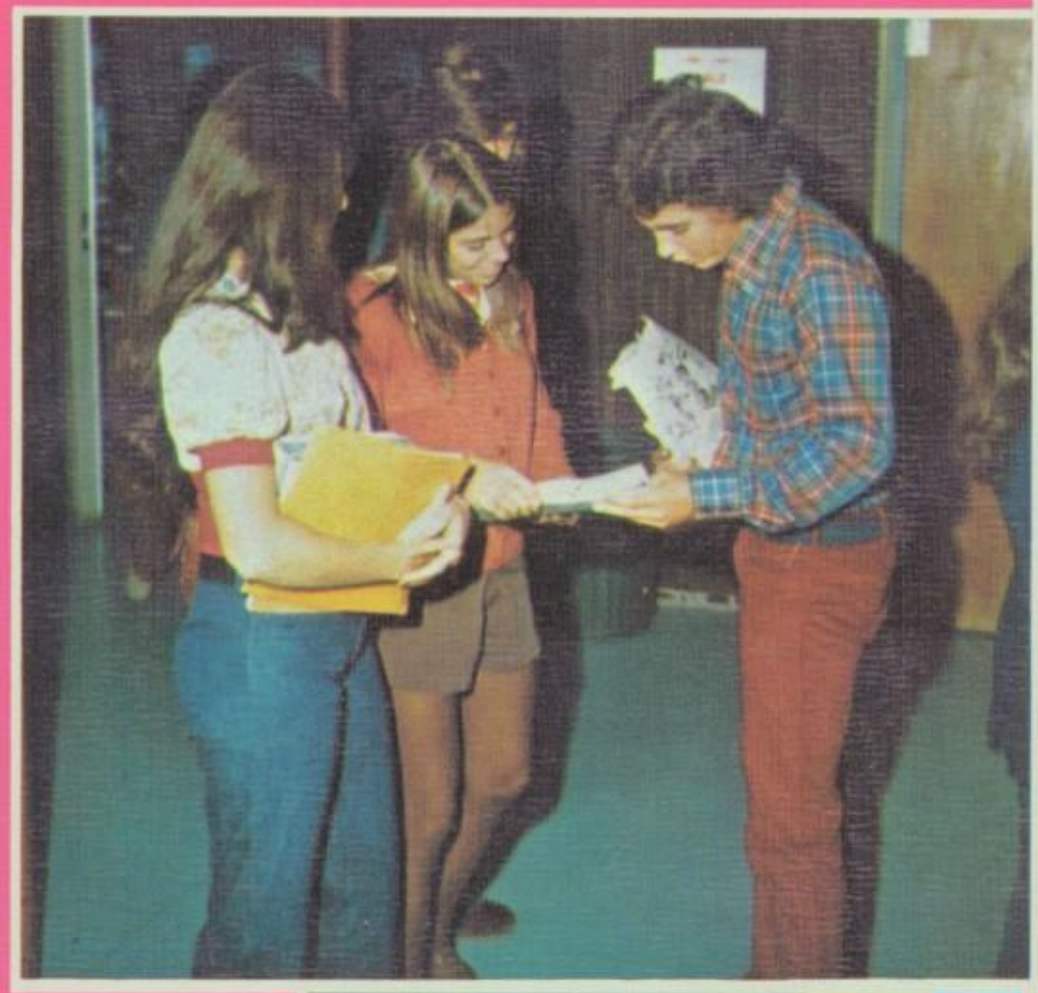
I gotta fly once, I gotta try once, only can die once.
OOH! Life is juicy, juicy and you see
I gotta have my bite.

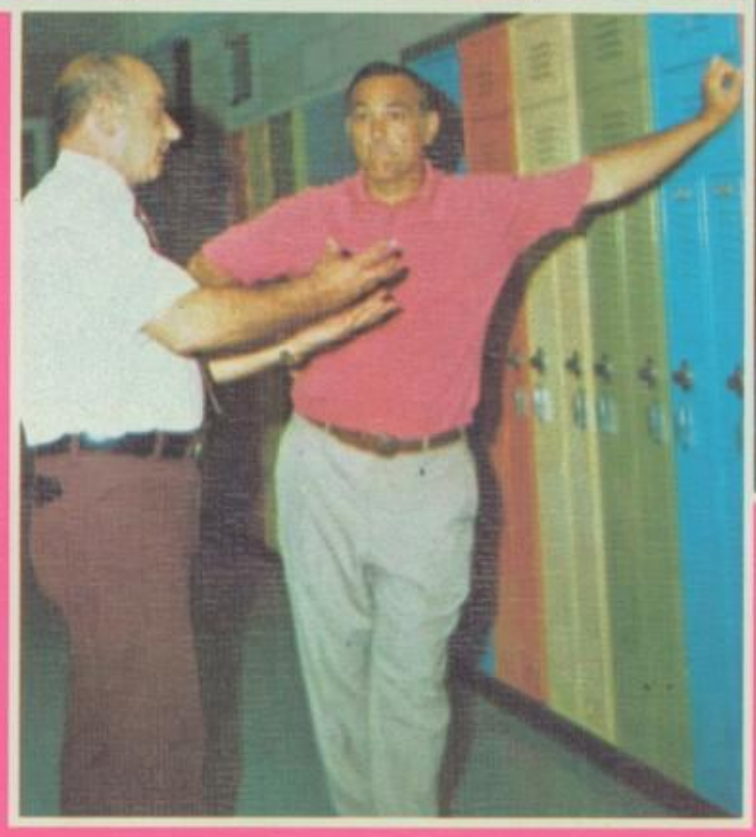




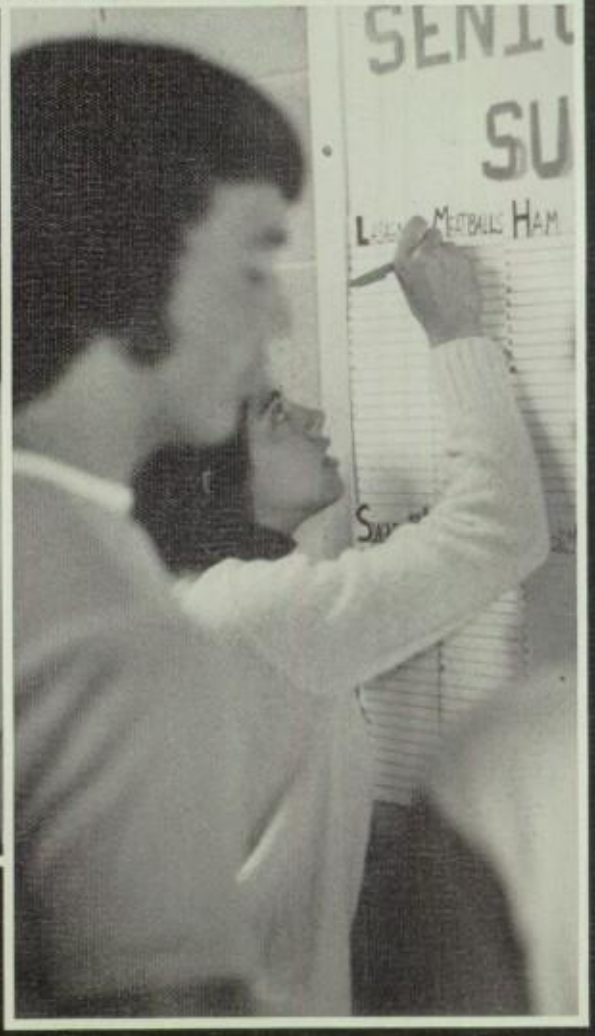


Get ready for me world cause I'm a comin.
I've simply gotta march, my heart's a drumin.
Don't bring around a cloud to rain on my parade.





I'm gonna live and live now, get what I want, I know how.
One roll for the whole SHABANG! One throw, the bell will go CLANG!
Eye on the target and WHAM! One shot, one gunshot and BAM!



Hey world, here I am!
I march my band out, I beat my drum, and if I'm fanned out,
your turn at bat now. At least I didn't fake it.
I guess I did make it. Cause nobody is gonna rain
on my parade."

To the Class of "74"

Try to always remember that it's the little things in life that count. In order to live, man must act; in order to act he must make choices; in order to make choices he must consider values; and values are determined by little things. Really effective people have learned the secret of making the best use of little things: a little time, a little idea, a little opportunity; and of making that little go a long way.

Truly concern yourself with this little advice.

Class History

In 1969 we entered Bristol High School feeling both very mature and very uneasy. We soon lost that mature feeling after coming in contact with the upperclassmen. As our first year at Bristol High School came to a close, we began to get together as a class. The election of class officers was held and we selected Peter Gancz as President, Patricia Ryone as Vice-President, Angela Vecchio as Secretary and Karen Merlino as Treasurer. We looked forward to a promising Freshman year.

Our first real activity as a class was the building of our float for the Homecoming Parade. This was done under the direction of our helpful advisor, Mr. Jeff Faria. We grew more enthusiastic with each activity we planned. Our Freshman Frolic; A Night at the Forum was the highlight of the year. Officers for our Sophomore year were chosen; they were Pamela Walker — President, Angela Vecchio — Vice-President, Donna Armillotto — Secretary, and Karen Merlino — Treasurer . . . *(A Touch of Women's Lib).*

As Sophomores, we became more involved in school functions, the varsity sports were helped along by many sophomore boys. Another float, our trip to see the Celtics, fund-raising activities, and our Sophomore Hop-Some Kind of Wonderful were called exciting parts of that year. The leaders of our Junior year were to be: Pamela Walker — President, Roberta DaPonte — Vice-President, Maureen Losier — Secretary, and Karen Merlino — Treasurer.

We began our Junior year right by winning first place in the float competition with our Trojan horse. In November, after months of anticipation, we received our class rings. December brought the Christmas Dance which we co-sponsored with the Class of '73; it was our first social venture outside of the school. A grinder party and a trip to the Providence Civic Center to see a R.I. Reds hockey game were events we participated in. We looked forward to our Junior Prom and SAT's. The prom was held on May 4, 1973, to the theme of: "So Much to Say, So Much to Give," and was enjoyed by all.

With Mr. William Fasano and Mr. Jeffrey Faria as Co-Advisors we began our most important and final year at Bristol High School. Peter Gancz became President, and Pamela Walker — Secretary. Roberta DaPonte and Karen Merlino retained their offices.

Our Homecoming float received First Prize for the second consecutive year, and we were chosen the class with the "Most School Spirit for 1973." This was also the year that the Homecoming jinx was broken. For the first time in five years Bristol won its Homecoming game. A car wash, and mixer were very successful along with our Pot-Luck Supper. The annual Christmas Dance was held and Seniors began to feel slightly melancholic. The year was going by. The Greaser Dance, as well as our play — *The Desk Set* were held. It seemed that during all of these activities everyone had the same thought in their minds — "These would be the last." College acceptances began to pop up and Seniors began planning for the future.

As our high school careers come to a close we reflect on our Senior Prom and Class Banquet, now Graduation is upon us. There are many things that could be said, but we've said them all, and many people we could thank but they know who they are. We will long and perhaps always remember our friendships and experiences at Bristol High School, and how they helped prepare us for the greatest step in our lives — *Independence.*

ADVERTISEMENTS

Now, I've been happy lately,
thinking about the good things to come,
and I believe it could be,
something good has begun.
Oh, I've been smiling lately
dreaming about the world as one,
and I believe it could be,
some day it's going to come.

Every year Mr. Domenic Raiola is praised and thanked for all of the help and time he puts into our yearbook. This year is no different. Mr. Raiola is always there when we need him and we respect him because we know he is going through all of the joys, pains, frustrations, and problems right along with us. His experience, good humor, and confidence will always be remembered.

A very warm and sincere thanks goes out to Mr. Iasiello, Mr. Contente, and Mr. Campagna for all of their cooperation with our picture schedules, announcements, and assemblies. Without their permission and guidance the freedom to make this book would not have been possible. The members of the faculty; the office, attendance, and guidance secretaries should also be thanked for their help and time.

A special thanks goes out to Fran Puniello. Although she wasn't a yearbook member she helped and stood by us whenever we needed her. Another non-member deserving of thanks is Peter Ricci who helped to prepare for and worked on our Yearbook supper.

Thank you, Mr. Ferrara for all the water paints you supplied the yearbook staff with. Without them we would have had an awfully dull and drab yearbook room.

Last but not least we wish to thank Mr. and Mrs. William Ferreira and Mr. and Mrs. Angelo Vecchio for the use of their homes through all the endless hours of yearbook work, layouts, and mess. They understood the importance of the yearbook and we'll always be grateful for their kindness and generosity.
